

## **GLOBAL TECHNOLOGIES**

### **Successful transition !**

ISO 9001 : 2015 Quality Certification

Since 2005, date of creation of the company, GLOBAL TECHNOLOGIES is engaged in client's satisfaction and certified ISO 9001.

Further to quality audit of May 2018, we are proud to announce that our Quality System has been assessed and found to meet the requirements of ISO 9001 : 2015 certification.

AFNOR Certification specially highlight our « high operational control ».
